

EUROQUANT RISK TERMINAL — SYNTHETIC DUE DILIGENCE DOCUMENT

Test Profile: HIGH-RISK SCENARIO | Classification: CONFIDENTIAL

1. SUBJECT IDENTIFICATION

Full Name:	Aleksander Petrov-Novak
Date of Birth:	14 March 1971
Nationality:	BG (Bulgaria)
Current Role:	Deputy Minister of Defence, Republic of Bulgaria
Mandate Period:	2022 – present
Secondary Role:	Board Member, Sofia Strategic Technologies JSC

2. POLITICALLY EXPOSED PERSON (PEP) STATUS

Subject holds the position of Deputy Minister of Defence of the Republic of Bulgaria, a senior executive government role. Under FATF Recommendation 12 and EU AML Directive (2015/849 as amended), this constitutes a Direct PEP classification. Mandate is active as of the date of this report. Subject has direct authority over national defence procurement budgets exceeding EUR 420,000,000 annually and participates in NATO capability planning committees.

3. CORPORATE STRUCTURE & HOLDINGS

3.1 Primary Operating Entity

Sofia Strategic Technologies JSC (SST) — registered in Bulgaria (BG). Subject holds 67% equity stake (670,000 shares at BGN 1.00 par value). Company is active. Incorporation date: 2019-03-22. SST operates in the DefenseTech and GovTech sectors, supplying C2 (command and control) software systems to the Bulgarian Ministry of Defence under Framework Contract MoD-2023-447. Total public procurement exposure: EUR 8,400,000. Contract active through 2026.

3.2 Offshore Holding Vehicle

Novak Capital Partners Ltd — registered in British Virgin Islands (VG). Subject holds 100% beneficial ownership. Incorporation date: 2017-11-05. Company status: active. Purpose declared as 'investment holding'. No public procurement exposure declared. Receives dividend flows from SST via intercompany loan structure. FATF risk classification for BVI: HIGH.

3.3 Secondary Participation

Balkan Cyber Resilience EOOD — registered in Bulgaria (BG). Subject holds 23% minority stake. Active status. Incorporation date: 2021-06-14. Operates in critical infrastructure cybersecurity. EU-funded project exposure: EUR 1,200,000 (Horizon Europe grant, 2023-2025).

4. POLITICAL & INSTITUTIONAL CONNECTIONS

Direct Connection (Distance 1): General Dimitar Stoyanov, Chief of Defence Staff, Bulgaria (BG). Relationship: employer. Active. Is PEP: Yes. Subject reports directly to General Stoyanov on procurement matters.

Indirect Connection (Distance 2): NATO Procurement Agency representative (Brussels, NATO). Relationship: business_partner. Subject participates in joint NATO capability committees where SST technology is under evaluation. Is PEP: Yes.

Family Connection (Distance 1): Irina Petrov-Novak (spouse). Role: Managing Director, Novak Capital Partners Ltd (BVI). Relationship: family_member. Is PEP: Yes (family PEP by association).

5. SANCTIONS & ADVERSE MEDIA SCREENING

No confirmed matches on OFAC SDN List, EU Consolidated Sanctions List, or UN Security Council Consolidated List as of report date. Adverse media search returned two unverified Bulgarian-language articles (2022) referencing parliamentary questions about MoD-2023-447 contract award process. Articles allege lack of competitive tender; not confirmed by official sources. Subject denies any irregularity.

6. PRELIMINARY RISK INDICATORS

- Direct PEP: Active Deputy Minister of Defence (BG), distance=1
- Offshore holding: 100% ownership of Novak Capital Partners Ltd (BVI, FATF HIGH)
- Active public procurement: EUR 8.4M contract via SST with Bulgarian MoD (direct conflict of interest)
- DefenseTech sector: SST supplies C2 systems to ministry subject controls
- Family PEP: Spouse is MD of offshore vehicle receiving SST dividend flows
- NATO indirect exposure: Distance-2 connection to NATO procurement committee
- Adverse media: Unverified procurement irregularity allegations (2022)

Report prepared for EuroQuant Risk Terminal testing purposes. All persons and entities described are entirely fictional. Any resemblance to real individuals or organizations is coincidental.
